Patient insurance benefits investigation and other Janssen CarePath program offerings are provided by third-party service providers for Janssen CarePath, under contract with Johnson & Johnson Health Care Systems Inc. on behalf of Janssen Pharmaceuticals, Inc., Janssen Biotech, Inc., and Janssen Products, LP (Janssen). Janssen CarePath is not available to patients participating in the Patient Assistance Program offered by Johnson & Johnson Patient Assistance Foundation. The availability of information and assistance may vary based on the Janssen medication, geography and other program differences. Janssen CarePath assists healthcare providers (HCPs) in the determination of whether treatment could be covered by the applicable third-party payer based on coverage guidelines provided by the payer, and patient information

provided by the HCP under appropriate authorization following the provider's exclusive determination of medical necessity. This information and assistance are made available as a convenience to patients, and there is no requirement that patients or HCPs use any Janssen product in exchange for this information or assistance. Janssen assumes no responsibility for and does not guarantee the quality, scope, or availability of the information and assistance provided. The third-party service providers, not Janssen, are responsible for the information and assistance provided under this program. Each HCP and patient is responsible for verifying or confirming any information provided. All claims and other submissions to payers should be in compliance with all applicable requirements.

Janssen Link offers eligible patients subcutaneous STELARA® (ustekinumab) **at no cost** until their commercial insurance covers the medication. See program requirements below.

Janssen Link Program Requirements

To be eligible, patient must have:

1. a subcutaneous STELARA® prescription for an on-label, FDA-approved indication
2. commercial insurance with biologics coverage
3. a delay of more than 5 business days or a denial of treatment from their insurance.

In addition, for patient to be eligible, Prescriber must submit:

4. a program enrollment form*
5. a coverage determination form (ie, prior authorization or prior authorization with exception) to the commercial insurance. If coverage is denied, Prescriber must also submit a Letter of Formulary Exception, Letter of Medical Necessity, or appeal within 90 days of patient becoming eligible for patient to stay in the program.

1. patient uses any state or federal government-funded healthcare program to cover medication costs. Examples of these programs are Medicare, Medicaid, TRICARE, Department of Defense, and Veterans Administration

Janssen Field Specialists Patient Authorization Form

My signature on this Janssen Field Specialists Patient Authorization Form (the “Form”) confirms I authorize my physician who has ordered a Janssen therapy (“my Physician”) and each of my other physicians, pharmacists, including any specialty pharmacy that receives my prescription for a Janssen medication, other healthcare professionals and their staff (together, “Healthcare Providers”) and each of my health insurers (together, “Insurers”) to disclose my protected health information, including but not limited to information related to my medical condition, treatment, and prescriptions (together, “Protected Health Information”), to Johnson & Johnson Health Care Systems, Inc., Janssen Biotech, Inc., their affiliated companies, agents, and representatives (together, “Janssen”), and any Janssen service providers or employees providing reimbursement, access, disease awareness or product information support to patients and their Healthcare Providers (together, the “Janssen Field Specialists”) for the purposes described below.

Specifically, I authorize Janssen and the Janssen Field Specialists to receive, use, and disclose my Protected Health Information for the following purposes, as applicable:

- (i) contact me about and be contacted by Janssen Field Specialists;
- (ii) provide me with educational and adherence materials, information, and support related to my Janssen medication (including reimbursement, access, disease awareness and product information) through Janssen Field Specialists; and
- (iii) speak and otherwise communicate on my behalf with my Healthcare Providers and Janssen regarding access to, reimbursement for and fulfillment of my Janssen medication, and to confirm to my Physician that support has been provided by a Janssen Field Specialist; and
- (iv) improve, develop, evaluate, and manage the Janssen Field Specialists and patient support programs.

I understand that this authorization is separate and apart from any other authorization I have provided to Janssen, including any authorization for the receipt of support from Janssen CarePath, and that cancelling one patient authorization does not affect the other. I understand that information regarding my receipt of support from Janssen Field Specialists may be shared with my Healthcare Providers. Furthermore, I understand that my Protected Health Information will not be used or disclosed by Janssen for any other purpose unless permitted by law or unless information that specifically identifies me is removed. I understand that Janssen will make every effort to keep my information private. If my information is accidentally shared, federal privacy laws do not require that the person/party receiving it not disclose the information further. Information disclosed under these circumstances and provided to a third party may no longer be protected by federal privacy laws. I understand that I am not required to sign this Form. My choice about whether to sign will not change the way my healthcare providers treat me. If I do not sign the Form, or revoke my authorization later, I understand that this means I will not be able to participate in the receipt of information provided by Janssen Field Specialists.

This authorization will remain in effect until one year from the date of signature or until I am no longer receiving information from Janssen Field Specialists, whichever is earlier. I understand that I may revoke this authorization at any time by mailing a letter requesting such revocation to:

Nurse Navigators from Janssen CarePath
500 Atrium Drive, 3rd Floor
Somerset, NJ 08873
